

DAN RATH

**NOMINATED BEST NEWCOMER
MELBOURNE INTL. COMEDY FESTIVAL
2019**

Dan Rath has enough parking ticket debt to cripple a small European country and he has watched his car get cubed by the government. He has been disrespected by his colleagues and is bruised and battered with nothing to lose. His low status means he has heightened cortisol production and is not equipped to take a gentle ribbing. He has a diverse set of interests including prime numbers.

His comedy will appeal to:

- a) burnouts with no driver's license
- b) folks who have paid a visit to marijuana island
- c) scumdogs

Dan Rath is ready to capitulate to the desires of the audience. All this stammering boob wants is a playmate.
