

HOT DEPARTMENT

From The Very Good Looking Initiative comes Hot Department. Known for their exclusive brand of surreal and twisted humour effortlessly mixing sketch, musical theatre and mutual masturbation.

Honor Wolff and Patrick Durnan Silva are a breath of fresh gas that the Australian comedy scene needs.

These two rising comedic superstars, with low self esteem, should be on everyone's radar.

Their award winning show CULL toured extensively around Australia and NZ to critical acclaim and their most recent show Poopie Tum Tums was a successful sell out at the 2019 Melbourne International Comedy Festival.

"The last time I saw something this new, original, exciting, and funny was when I caught the Mighty Boosh live in 1999." **Monster Children**

"Swings between 'I shouldn't be this aroused' and 'I can't unsee that'."
★★★★★ **Time Out Melbourne**
